

Wednesday Night Youth Group

6:30-8:00 from September to May

We kick the night off with a game then transition into worship with a few songs. After that we dive into the topic for the night, we then split up into small groups to discuss the topic more in depth. Parents will also receive an email talking about the topic for the night and giving you questions to ask your teenager through out the week.

Youth Week

Youth week is a 4 evening event in July. It takes place at PV with the exception of some of the activities. We will bring in a someone to speak and have a worship band. In addition each night there will be an activity; like skating, scavenger hunt... The cost will just be a few dollars depending on the activity that night.

Youth Camp

Journey - our youth camp takes place at Ludlow Falls, OH on State Route 48. This is an event that most of our PV Teenagers know and love. It takes place the last part of July/first part of August. The week will have a speaker just for the youth, a great worship band, all kinds of games through out the week, multiple off site activities and a great time to build on old friendships and make some new ones.

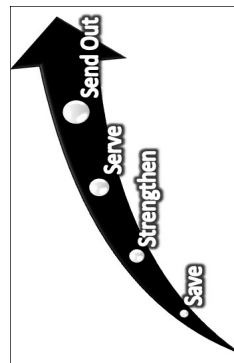

We exist to:

Transform, Train, & Impact.

1. **Transformed** from the darkness to the light of Christ.
2. **Train** each student with the tools to live a life that reflects and glorifies God.
3. **Impact** other lives so they too may be transformed.

These 3 steps are an ongoing process that will help our students have a life long commitment to Jesus Christ.
