End-Of-Summer Community Outreach Carnival

Our carnival is a community outreach event that we use to gather our surrounding friends and family for a day of fun activities and to celebrate the end of summer.

OCC SHOEBOX MINISTRY

Each year the Children's Ministry team leads the donated packing items collected for packing parties each fall to encourage families to think more missionally. These are distributed around the world to children who then learn of the love and salvation God can provide.

Purpose Statement

PV Children's Ministries purpose is to honor God by sharing His love with children and helping them to:

1. **Know Jesus**
2. **Follow Jesus**
3. **Share Jesus**

We exist to supplement the family in their attempt to lay a

spiritual foundation that will lead a child to a life long relationship with God through Jesus Christ. We provide kid-friendly programs that are fun, creative, and make Christianity applicable and relevant. We do background checks on every volunteer to make sure the children have a safe learning environment.

Sincerely,

Christine Nealeigh

A fun, interactive time for children ages Kindergarten - 4th grade during preaching time of each service. Teaching time is Kid-Sized content with the focus on:

- Love God
 - Love His Word
 - Share His Word with others
- Children are dismissed before the sermon. Nursery and pre-K available for infants, toddlers, and 3 & 4 year olds.

All children are involved in discipling curriculum to encourage growth in their knowing Jesus, following Jesus, and sharing Jesus. Our goals include giving each child a strong foundation of biblical literacy and applying it to their lives.

AWANA is a Wednesday night children's program focusing on faith, friends, and fun! It is for children in Kindergarten—grade 6. Basic Bible truths are taught, memorized, and then encouraged to be put into action as a result. Game time is a highlight each week which encourages teamwork, fair play, and good sportsmanship. Our goal is for each child to see God's Word as relevant as they memorize it and then apply it to their daily life. AWANA program is held from September - April.
